RE: Proposed Bylaw amendments These five proposed bylaw changes will be discussed at the annual meeting and voted upon at that time. Any questions contact your district Representatives or me via email or phone 802-376-8868.

From: Richard M. Long, VHSSUA President.

VHSSUA Proposed bylaw changes.

A. Proposal for membership to consider in March would change language from “Delineation of Districts for the purposes of membership and scheduling, the state shall be divided into seven districts as follows” [list of seven districts] **to** “Delineation of Districts for the purposes of scheduling, the state shall be divided into districts as defined by the Board” [removal of list of seven districts].

B. Article III language change : “Failure of a member to attend a NFHS clinic results in that member being ineligible for varsity games.” **to** “Failure of a member to attend a NFHS clinic or get a waiver from the Board results in that member being ineligible for varsity games.”

C. Article III language change: “... clinic as required by the VPA, provided they maintain Federation insurance. Any member who umpires games without appropriate insurance...” **to** “... clinic as required by the VPA. Any member who umpires games without NFHS or NASO insurance...”

D. Note for language change in By-Laws from “ASA” to “USA Softball” E. Section 4 Responsibilities language change from “It is the responsibility of each member to fill out a rating form for their partner after each game and submit them to their assignor prior to Memorial Day.” **to** “It is the responsibility of each member to fill out an electronic rating form for their partner after each game and submit it prior to Memorial Day.”

E. Add: The assignor for a district should hold membership, active or inactive, of the VHSSUA.”
