

Alternate Clinic Locations and Dates

As per the VHSSUA bylaws Article III Section 1b (see below), the following locations serve as alternate sites for the mandatory NFHS rules interpretation clinic, should you be unable to attend our yearly meeting.

Clinics to be announced in February.

Article III Section 1b

Should a prospective member not attend the VHSSUA sponsored NFHS clinic, he or she may attend an approved NFHS clinic in another state to satisfy this VPA requirement. A letter from the leadership of the organization sponsoring the clinic, confirming the prospective member's attendance, must be sent to the VHSSUA Secretary/Treasurer. If an Amateur Softball Association of America National Umpire School is held the same weekend as the VHSSUA NFHS clinic, he or she may attend this instead of the NFHS clinic, and must provide proof of attendance.

(It is recommended that the member write up their own letter of attendance, bring it to the clinic, and have that organizations leadership sign it.)
